Chapter 4 - Instruction Manual for Standardized System of Annual Reporting (Continued)

ATTACHMENT 7 (Continued)

39-810 R.R.S. NEBR 1943

..... All contracts for bridge erection or repair, approaches thereto, culverts, or road improvements in excess of ten thousand dollars shall require individual cost accounting records on each individual project. The total costs of each such separate project shall be included in the annual records to the Board of Public Roads Classifications and Standards as required by Section 39-2120.

- (1) All costs charged to the project shall be reported. Total project costs shall be reported AFTER PROJECT COMPLETION and final payment is made for projects costing in excess of ten thousand dollars. Report all contract projects completed during the fiscal year.
- (2) DO NOT report costs or payments on partially completed projects.
- (3) If your county completed no contract projects costing in excess of ten thousand dollars, during the fiscal year, please complete the certification at the bottom of Form 1f.
- (4) Reporting date. Prior to October 1.
